To Whom It May Concern:

Please accept this correspondence as evidence of my enthusiastic recommendation of Mr. Jeffrey Daughtry to your firm, business or agency. I have known Mr. Daughtry for approximately two years as a student in my criminal justice and sociology classes at Saint Martin's College. Mr. Daughtry has always displayed a completely professional demeanor in class. He consistently completes his assignments and examinations in a timely and superior manner. Mr. Daughtry is a highly motivated "self-starter" that requires little or no supervision. He is also a pleasant and extraordinarily likeable person that is appreciated by his peers and instructors alike.

Mr. Daughtry has excellent written and verbal organizational skills as well. His term papers and examinations demonstrate this organizational ability and his logical thought process. He also actively participates in class discussion and is extremely well spoken while doing the same. He can always be relied upon to offer meaningful and insightful comments and issue analysis on a wide range of academic concerns. Mr. Daughtry has shared with me on several occasions his ongoing desire to utilize his formal education by working as either a public law enforcement officer or as a private security operative. I highly recommend Mr. Daughtry to your good offices for either vocational assignment or preference. My experience with Mr. Daughtry is that he can be relied upon to get the job done right.

Mr. Daughtry is not a "clock watcher." He routinely remains after class to engage myself and his classmates in additional discussion of class related issues or to acquire greater clarity of the same. I can assure you without doubt or reservation that Mr. Daughtry will be a loyal, trustworthy and highly productive employee. Please feel free to contact me at the telephone numbers and address listed above for additional information regarding Mr. Daughtry or for verification of the facts outlined in this letter.

Sincerely Yours,

Gregory G. Gilbertson, M.S.
