Valerie Suessmith | Assistant Superintendent of Human Resources
Henry County Board of Education Central Office
33 N. Zack Hinton Parkway | McDonough, Georgia 30252

Dear Ms. Suessmith:

I hereby officially tender my resignation from my challenging and rewarding position with the Henry County School System. Please acknowledge my final day of employment is precisely two weeks from the date of this correspondence - Friday, July 1, 2011. Immediately thereafter, my family and I will embark upon an exciting new endeavor and permanently relocate to Sarasota, Florida.

I have greatly appreciated the multiple leadership opportunities afforded to me since 2004, not limited to but to include the following: certified mathematics teacher, team leader, head football coach, athletic director, Title I instructional mathematics coach, as well as elementary and secondary school assistant principal. In addition, the unique experience to facilitate new employee training at TIP, conduct county level mathematics training for a collaboratively designed online summer school remediation program, and serve on multiple GAPSS teams strengthened my skills and ultimately enabled me to serve as a confident and effective instructional leader.

Thank you for your continued unconditional support and tireless unwavering efforts towards *"Ensuring Success for Each Student."*

Sincerely,

Jeffrey Daughtry
